Worker and Citizen of the Week

Each Monday 2 students are chosen by the class teacher to wear the Worker of the Week and the Citizen of the Week badges.

Worker of the Week:

Oscar—trying hard in all areas of learning.

MacAlister—getting all his work done.

Citizen of the Week:

Clare—supportive & helpful at all times.

Charlotte—being a gorgeous friend and helpful in the playground.

Edmodo

The 3-6 class has begun using Edmodo as a way to communicate between each other. It is a private webpage, locked to only the students, teachers and parents who wish to join and watch. We posted topics of interest and researched each others ideas. It is an exciting way of engaging students in an important part of their learning, the safe and productive use of technology, as well as being able to focus on other curriculum areas at the same time. They were very engaged and I am looking forward to utilising it to support our learning.

There is a three day National Antique Machinery rally from 19th to 21st April this year at AREC.

We are looking for clubs or organisations interested in manning the entry gates and assisting with car parking.

There is three gates which would need two people at a time from 8.30am to 3.00pm for the three days.

Two car parks which would need three people at a time from 8.30 am to 3.00pm

We are looking at \$1,000 per gate for the three days and \$1500 per car park for the three days. Please let Kim know ASAP if you can help with this fundraiser.

The Kindergarten students have been working hard learning their sounds and doing great work!
