STUDENT POETRY

Odd Pets

Kids say
Your pets are crazy!
Of course I already knew
But pets that scratch
Are much more cool
Crazy pets-
The way to live

The teacher bought normal pets,
Ten pets, all the same.
She says her pets are just fine,
But I think that's a crime.

I close my eyes when choosing pets
One croc, one tiger
One nervous, one fierce
It's better when my pets aren't the same-
Pet lucky dips each week.

Mix & Match

People say
Your outfit doesn't go!
As if I didn't see
But colours don't that conflict
I think don't really contradict mix and
match
The way to be

My best friend bought school uniforms
12 suits all the same
She says they all look tidy and neat
But I think school uniforms are lame.

I put on a blindfold when choosing
clothes
One pink, one orange,
One white, one black
It's always a surprise when colours clash -
I love choosing for my dress rack.

Old & New

People say
Your outfit is weird!
As if I didn't realize
That clothes that attack
Old & new -
The latest trend!

My boss bought black suits
Five spares, exactly the same!
He says his black suits always match,
I think he's a real shame.

I close my eyes when getting dressed
Future shirts, past pants,
Grandma's dress, alien for a day
It's incredible when my clothes don't
match -
Clothing garage sales every day!
