Term 3, Week 4

## Zone Athletics Carnival

Good luck to the following students who are competing at the Zone Athletics Carnival next Tuesday in Mudgee – Oscar, Tomas, Billy, Ghida, Charlotte, Clare, Lucy, Raynor, Bianca, Jessie & Maya. Well done everyone!

## Active After Schools Program

It was great to see more students involved with lawn bowls this week and many remembering to bring their helmets for cycling today. Lawn bowls has certainly proven to be more exciting than they were anticipating.

## Capertee Visit

Our visit from Capertee school has been postponed to Thursday 28 August in the afternoon. We look forward to a friendly soccer match and some bike riding again.

## Jump Rope For Heart

Students have been jumping rope frantically building their skills and their fitness levels as they work towards a Jump Off Day later in the term. The date for the day will be announced in a forthcoming newsletter.

## MS Readathon

Many students have chosen to join in the MS Readathon this year to help raise money for research into Multiple Sclerosis. This is a great opportunity for students to be motivated to read whilst raising money for a good cause. We wish them all luck.

Day of the week you could volunteer: \_\_\_\_\_

How many days in a term could you volunteer: \_\_\_\_\_

I didn't know he and the tigers'  
All came to drink at the great lakes.

I showed him where to go one day,  
To my back yard we ran,  
So now my pet giraffe  
Is completely my biggest fan.

Year 2, and some Year 3 Group re-write.

My Dragon has a Cold

My dragon has a cold  
And his sneezes tremble the town.  
The road is always crumbling  
When my dragon has a frown.

I bought him at the local castle  
But I missed a little mistake  
I didn't read the message sent:  
'cold dragon for take'.

By Raynor, Jess and Charlotte

My Flamingo has the Farts!

My flamingo has the farts  
And his farts are really stinky.  
The neighbours are always complaining  
About  
My flamingo called pinky.

I birdnapped him from the wildlife reserve  
But I forgot one thing.  
That the park ranger had told Dad  
Those flamingoes sure have wind.

By Maya and Lucy.

My Giraffe has the Sneezes

My giraffe has the sneezes  
And she sneezes, jumping on the ground.  
The floor is always shaking  
When my giraffe is around.  
I bought her at the zoo  
But I missed the window sign.  
I didn't see it say:  
'A sneezing giraffe is just fine.'

By Jaiden

My Cat has gone Bonkers

My cat has gone bonkers  
And her jumping has gone fad.  
The floor is always going up and down  
When my cat is mad.

I bought her from the small pets.

But I did miss a big detail  
The very warning sign said:  
"Carbonkrs cat for sale".

By Reine

My Alien has the Screaks

My alien has the screams  
And her screams break the glass.  
The glass is always shattering  
When my alien walks fast.

I found her on the moon store  
But I missed a rather big detail  
I didn't see what the moon said"  
"Alien screaker in the mail".

By Clare

My Kangaroo has no hair

My kangaroo has no hair  
And his hair is not around.  
He's always on the kids  
When they're on the lounge.

I found him in the bush

Lucky he missed a gun shot  
I didn't hear my son say  
"Watch out Mum, it's hot".

By Blainey

My polar bear has the Cold

My polar bear has the cold  
and her sneezes blow me away.  
I'm always falling on the ground  
every single day.

I found her at my door step  
But forgot a big detail.  
I didn't read the tag that said:  
"Coldabear for sale!"
