Term 3, Week 7

Athletics

Good luck to Billy, Clare, Tom, Lucy and Bianca who have successfully made it to the next level of competition and will compete at Dubbo today at the district carnival. We all wish them all the best and know they'll make us proud. Thank you also to the parents who volunteer their time to take students a long way and support them in attending.

Capertee Visit

It was great to see students from Capertee Public School who visited us today. There was a very spirited soccer match at lunch where our students showed great sportsmanship. After lunch students enjoyed some bike riding practicing our roundabout skills and having a 'slowest rider' race which everyone enjoyed. We look forward to catching up with our Capertee friends again soon. Well done Ilford students for being excellent hosts and making them welcome.

Jump Rope For Heart

Students have been doing lots of skipping building up their fitness and their skill level. We look forward to having a 'Jump Off' morning on **Wednesday 17 September** to show off some skills to those families who can come along. We will begin at 8:45am and would be finished by approximately 9:15am.

Book Fair

It was great to see so many book characters parading at this week's book week parade. We had a lot of parents join us too which was really nice. The 3-6 class enjoyed sharing their progress with their narrative writing which they really enjoy.

Trees

We have now had our trees pruned and some trees removed by an arborist. We hope to have the fencing removed soon and be back to normal. The children have proven their fantastic behaviour once again by making allowances for the fencing and finding other productive ways to play. I thank you all for your patience.

Dates to Remember**Term 3**

28 th August	Capertee School visit
1 st Sept	P and C 6pm
5 th Sept	RDO
11 th Sept	Green Day
