Term 4, Week 9

## 2015

Next Tuesday (8<sup>th</sup> December) will be the last day for students for 2015. Thank you to students for their hard work and enthusiasm throughout the year, and to parents and community members for their continued support for Ilford Public School.

A reminder that there is a staff development day on Wednesday 27<sup>th</sup> January and students return to school on Thursday 28<sup>th</sup> January 2016.

## Concert & Presentation evening

We are looking forward to our presentation evening and concert, which is being held this Saturday December 5 at the Ilford Hall, Ilford Road, Ilford. Students are required to be at the hall at 4:30pm in preparation for a prompt 5:00pm start. It is important that all guests have arrived and are seated by this time to ensure the evening runs to time. We appreciate your cooperation with this.

Students must arrive in school uniform for the presentation part of the evening, and then change into costume for their performances. They will need party clothes for after the concert (in a bag with their name written on it please). Please bring a plate of party food to share for supper. A reminder that we need as many people as to remain at the end of the evening to help with cleaning up.

Dinner is purchased at the door – a sausage sizzle.

## Year 6 Farewell

It was wonderful to see so many parents and community members on Friday when we farewelled Raynor. We will miss her at Ilford Public School but know she will enjoy her time at Kandos High School. All the best Raynor!

### Swimming

Our swimming sessions have been going really well and the children have been behaving impeccably as usual. They have all really tied their best to learn new skills and push their limits. Great work! We look forward to

*Happy Birthday Jaidyn!*

### ***Citizens of the Week:***

Dylan – kind and thoughtful, with a strong sense of justice  
Jaiden – taking time to care for others

### ***Workers of the Week:***

Stevie-Lee -  
concentrating on her work and trying hard  
Blainey – setting a high standard in all areas of learning
