Message from the NSW Department of Transport

Transport for NSW has been reviewing PVC subsidy claims for accuracy because it has introduced a new computer system and this has caused a delay.

This has also deferred for a short time, the attendance days collection process for all schools.

We understand this overall will lead to a delay of several weeks compared to the usual processing time.

Transport for NSW has advised us they are apologetic for the inconvenience.

Skipping

Students have begun to skip as part of our daily fitness and will improve their skills as we lead up to our Jump Off on the 8th of September.

Mountain Bike Enduro

We plan to have a Mountain Bike Enduro event later in the term so students can test their cycling skill and fitness. They will work in a group of 3 to do as many laps of a course on the tennis court (flat track) or our Mountain Bike track. We plan to host Glen Alice and Capertee schools for the day.
