Term 4, Week 8

This is the final newsletter for 2016. We would like to sincerely thank our entire school community for all of your support this year. We are a very lucky little school. We have achieved some great things this year which would not have been possible without the hard work from staff, our excellent and talented students and our supportive families. **The students last day of school is next Wednesday, 7th December.** They may wear casual clothes.

We wish you a very safe and happy holidays and look forward to seeing you in 2017.

Christmas Tree and Presentation Night

We have been working very hard to prepare for this Saturday's school concert: Christmas Tree and Presentation night. All students need to be at the hall in full school uniform at 4:30pm to allow for a prompt 5:00pm start. After the formal part of the evening and their performances they may wish to bring a change of casual clothes to wear.

Year 6 Farewell

The Year 6 Farewell afternoon tea will take place this Friday, 2nd December from 2:30pm – 3:15pm. We ask that students bring a plate of food to share. All are welcome to come along and say good bye to our lovely Year 6 group.

P & C Reminder

Could everyone please make sure that they are able to perform the job that they have been allocated for the night of the Christmas tree in setting up, etc. to help make the night run smoothly. We ask each family to please bring a plate of food for supper to share with everyone.

Swimming School

We started swimming this week and all of the children have done a great job so far. We look forward to watching them all improve in their swimming as the week goes on. The more practise the better.

Private Vehicle Conveyance (PVC)

From December 20, transport NSW will begin to phase out the Private Vehicle Conveyance subsidy and introduce a new School Drive Subsidy. Many families would have already been contacted. Parents currently accessing the PVC can choose to remain receiving it until their child leaves school, or there is a change of details such as moving house, or move to the new subsidy as of December 20. For more information, visit transport.nsw.gov.au/schooldrive.

Film Festival

The Film Festival was fantastic last week. We had many parents come along and enjoyed watching the films students had made. I was very impressed with the students who made the effort to make their own films at home and present them. Well done all!
