

Ilford Insights

TERM 4, WEEK 3

PRINCIPAL'S MESSAGE

Welcome to Term 4. We have a lot going on this term such as excursions, grandparents' day, Christmas fair, theatre productions and lifesaver visits. Please make sure that you are checking students' bags for notes and newsletters, as well as looking on Facebook and the Skool Loop app.

Congratulations to Ms. Hooper and the students from the 3-6 class for making it into the Top 10, Australia wide, for the **Arldo Game Design Challenge**. Their trip to the University of NSW, staying in a 5-star motel and meeting scientists, gamers and students from around Australia was certainly something to remember.

Thank you also to our family and friends who voted for Ilford PS's game design. Not only did we get the MOST VOTES AUSTRALIA WIDE we came 4th overall and were the YOUNGEST finalists!!
